

Final Attempt:

Dear (Contact Name),

You recently made an inquiry to get health insurance information. Your request was directed to my office, and I have made several attempts to contact you by phone and email, with no response. Perhaps your need for health insurance has changed.

At any rate, I'm making this final attempt to connect with you because you expressed a need, and I can help you get Affordable Health and Dental Insurance. I don't want to be a pest, but I want to make sure I'm thorough.

If this is something you are still needing help with, just take a moment to reply to this message and let me know how and when you can be reached by phone. You may also reach me by telephone at the number below. I'll take just a few moments of your time, and then prepare a health quote for you. It's that simple.

If you don't have a need for health and dental insurance right now, please save this and/or pass it along to a friend.

Wishing you good health,
