Hello [firstname],
I just left you a voicemail.
Tired of all the confusion and media hype about the Health Care Reform Act AND how it's going to affect you personally?
Using an agent reduces the confusion and doesn't cost you a thing!
How about getting your personal solution from a locally licensed broker with one phone call?
I guarantee you will speak only with me directly.
Call [agent_phone], or reply to this email.
Sincerely,
[agent_first] [agent_last]
